ARTHUR W. BLOMFIELD, Esq., Architect—"I have used the Air-Pump Ventilator of Messrs. Robert Boyle & Son with satisfactory results. I believe the system to be a sound and good one, and capable of varied application with success."

Dr. B. W. RICHARDSON, F.R.S.—"Since these excellent Ventilators have been introduced we have now got perfect methods of Ventilation."

The late Sir GILBERT SCOTT, Architect—"I have used your Patent Self-Acting Air-Pump Ventilators with complete success. From experience of them in my own house and other buildings—public and private—where they have been applied under my direction, I can confidently and will always have great pleasure in recommending them."

ARTHUR CATES, Esq., F.R.I.B.A., Architect to the Crown, &c.—"I have used your Air-Pump Ventilator with satisfactory result. Those fixed under my direction at the Library of the Inner Temple have realized my expectations, and completely fulfil the object which I had in view. I consider this application of them a severe test, and the success which has attended it confirms the statement which you make as to their efficacy."

Sir WILLIAM THOMSON, F.R.S., Glasgow University—"I have seen several different forms of Mr. Boyle's Air-Pump Ventilator in actual operation, and have much pleasure in testifying to their efficiency. They thoroughly realize the favourable anticipations which I formed from experiments on models shown to me by Mr. Boyle. Having one fitted up in my yacht, I find it has caused a very decided improvement in the draught."

P R E F A C E.

THE Publishers of the Glasgow Post-Office Directory beg to express their thanks for the liberal patronage bestowed on the work during the long period of fifty-eight years. It has ever been their desire that the information it contained should keep pace with the progress and general requirements of the Second City of the Empire, and every effort has been made by the new Editor to render it as accurate and complete as possible.

At the beginning of the book will be found the Weather Forecasts from June, 1886, to May, 1887, with Almanac, Tide Tables, Phases of the Moon, &c. The City Chamberlain and Mr. Henry, the City Assessor, have kindly supplied Statistics of the estimated Population of the City and Suburbs, the Parliamentary and Municipal Voters for 1885-86, with the Divisions of the City for Parliamentary purposes under the new Redistribution Act, 1885, as well as the Voters on Electoral Roll for School Board, and the Rental of Glasgow for 1886. At pages 73 to 95 an Alphabetical List of Streets is given; as a handy guide to their situation the number and letters affixed to each Street indicate their position on the large Map, corrected up to date from actual surveys by J. Bartholomew, Esq., Edinburgh, which is placed at the end of the volume, so that it may lie open without interfering with the turning over of the pages.

In the Street Directory the number affixed to the name of each Street indicates the Municipal Ward in which it is placed for Electoral purposes. In order to make the work as largely available as possible the various Suburban Districts around the City are supplied, together with the members of Parliament for the Burgh or Division in which they are placed, viz.:—Barrhead, Bearsden, Bishopbriggs, Bothwell, Busby, Cambuslang, Cathcart, Coatbridge, Govan, Lenzie, Maryhill, Millerston, Milngavie, Parkhead, Pollokshaws, Rutherglen, Shawlands, Shettleston, Tollcross, and Uddingston, and will be found following the City Directory proper.

In the Appendix will be found useful details regarding Postal and Telegraph arrangements, together with Local and General Intelligence; and the Publishers beg to thank the gentlemen connected with the various Institutions for their kindness in supplying much useful information.

The printing has been done, as usual, by Mr. Mackenzie, Howard Street, and the binding by Messrs. Gowans & Gray, Ann Street.

STAMP AND LEGACY DUTIES, &c.

THE following is a list of Stamp duties according to the schedule of the Act 33 and 34 Vict. c. 97 (amended by 34 Vict. c. 4, and 34 and 35 Vict. c. 103), with the Duty on Policies of Sea Insurance, Letters Patent, Patent Medicine, and Plate, and Inventory, Legacy, and Succession Duties, which remain under the former Acts. Generally, the items are given in the words of the schedule. When the sections are merely cited without the Act, they are the sections of 33 and 34 Vict. c. 97. All items in the schedule of the Act relating solely to England and Ireland are excluded. In the same session were passed the Acts 33 and 34 Vict. c. 98, Stamp Duties Management, and 33 and 34 Vict. c. 99, repealing certain enactments relating to the Stamp Duties.

The Act 33 and 34 Vict. c. 97, came into operation on 1st January, 1871, and by § 3 the exemptions in other Acts in force are preserved.

The attention of the public may be directed to the following matters:—

1. The general deed duty, or duty on a deed, not otherwise charged, is reduced to 10s.
2. Progressive duty on words is not imposed.
3. Provisions are made for charging *ad valorem* duty on conveyances in respect of periodical payments or annuities.—(§ 72.)
4. An agreement for a lease for a term not exceeding thirty-five years is to be charged with the lease duty.—(§ 96.)
5. An instrument chargeable as a lease in consideration, in whole or in part, of produce or other goods—

Where it is stipulated that the value shall amount to or not exceed a given sum, *ad valorem* lease duty on such sum.

A statement in the lease in regard to the value of such produce or goods to be conclusive as to stamp duty, unless and until shown to be incorrect.—(§ 97.)

6. A notarial instrument is liable to the same duty as an instrument of seisin—to wit, 5s.

7. Any instrument specifically charged by any previous Act with the duty of 35s., is chargeable with the duty of 10s.—(§ 4.)

8. Instruments relating to the property of the crown, and to the private property of the sovereign, are liable to same duties as instruments relating to the property of the subject, except where express provision is made to the contrary.—(§ 5.)

9. Instruments are to be so stamped that the stamp may appear on the face of the instrument, and cannot be applied to any other instrument written upon the same piece of material.—§ 7 (1). Every instrument on the same piece of material is to be separately stamped.—§ 7 (2).

10. Instruments relating to several distinct matters are to be separately stamped in respect of each.—§ 8 (1). An instrument liable to *ad valorem* duty, if made for any other valuable consideration, is to be charged in respect of it, as if it were a separate instrument for such.—§ 8 (2).

11. An appropriate stamp (by word on the face of it) cannot be used for an instrument of another description.—§ 9 (1). An instrument of the description to which a stamp is appropriated is not to be duly stamped unless stamped with the stamp appropriated to it.—§ 9 (2).

12. All the facts and circumstances affecting the liability of an instrument to *ad valorem* duty, or the amount of it, are to be fully and truly set forth. If not, penalty on person who executes and on person concerned in the preparation, £10.—(§ 10.)

13. Instrument chargeable with *ad valorem* duty in respect of money in foreign or colonial currency, the duty to be calculated on the value in British currency, according to the current rate of exchange at the date of the instrument.—(§ 11.)

14. Instrument chargeable with *ad valorem* duty in respect of stock or marketable security, the duty to be calculated on the value, according to the average price at the date of the instrument.—(§ 12.)

15. If the instrument contains a statement of the current rate of exchange, or average price, and is stamped accordingly, it is to be deemed duly stamped until statement shown to be untrue, and that the instrument is in fact insufficiently stamped.—(§ 13.)

16. The duties apply to instruments executed in the United Kingdom, and to instruments wheresoever executed, relating to property situated, or to any matter or thing done or to be done, in the United Kingdom.—(§ 17.)

17. No instrument, except in criminal proceedings, shall be pleaded or given in evidence, or admitted to be good, useful, or available in law or equity, unless it is duly stamped in accordance with the law in force when executed.—(§ 17.)

18. If any person registers an instrument not duly stamped, penalty, £10.—(§ 22.)

19. Except where express provision is made to the contrary, all duties are to be denoted by impressed stamps only.—(§ 23.)

INVENTORY DUTY.

PROPERTY LIABLE TO THE DUTY.—*Generally*—

All personal property (heritable securities are personal property) belonging to the deceased in the United Kingdom, heritable securities, and personal bonds excluding executors—(48 Geo. III. c. 149, § 38, &c.; 55 Geo. III. c. 184, Schedule, Part III.; 21 and 22 Vict. c. 56, §§ 9, 12, 13, &c.; and 16 and 17 Vict. c. 59, § 8.)

Personal Property—*Absolute power of disposal.*—Personal estate which a person, dying after 3rd April 1860, shall have disposed of by will, under any authority enabling such person to dispose of the same as he shall think fit, shall be deemed personal or movable estate of the person so dying, for the purpose of payment of inventory, probate, or administration duty.—(23 Vict. c. 15, § 4.)

Indian Promissory Notes—*Ships.*—Indian Government promissory notes and certificates issued, or stock in lieu thereof, being assets of a deceased person, the interest of which shall be payable in London, registered in London, or enfaced in India for the purpose of such registration before the death of the owner; also Indian Government promissory

notes, with coupons attached, in the same circumstances as to registration, and certificates issued, or stock created in lieu thereof, shall be personal estate, and *bona notabilia* in England of the deceased person (23 Vict. c. 5, § 1); also any ship, or any share of a ship, belonging to a deceased person, registered in any port in the United Kingdom, notwithstanding such ship at the time of the death may have been at sea, or elsewhere out of the United Kingdom, shall be deemed to be at the port at which she may be registered (27 and 28 Vict. c. 56), and liable to inventory, probate, or administration duty.

Specialty Debts.—For probate and administration duty, debts and sums of money due from persons in the United Kingdom to a deceased on obligation or other specialty, shall be estate and effects of the deceased within the jurisdiction of Her Majesty's Court of Probate in England or Ireland, in which the same would be if they were debts upon simple contract, without regard to the place where the obligation or specialty shall be at the time of the death.—(25 Vict. c. 22, § 39.)

Foreign Bonds and Stocks.—Documents of the debts of foreign governments and foreign companies which pass from hand to hand are property where the documents may be. Debentures or bonds by foreign companies and governments, and the title to stocks of foreign companies and governments, are property in this country, if in the possession of any person in this country, and can be sold in the market, and the title of the purchasers completed to them in this country.—See *Attorney-General v. Bouwens*, 4 Meeson & Welsby, 171.

Rents of Heritage.—If the deceased survive Whitsunday, one moiety of the rents of the crop of that year is personal estate. If he survive Martinmas, the whole rents of that crop fall into the executy. In addition, from and after 1st August, 1870, the Acts 33 and 34 Vict. 1870, c. 35, would seem to give the executor a proportion of the rents from the term preceding the date of death to the date of death. That Act would also seem to give a proportion of the term's rents of quarries, minerals, and houses, and also feu-duties current at the death. The executor's right to house-rents would not therefore be to the half-year's rents current at death, but to a proportion only to the date of death.

MODES IN WHICH DUTY MAY BE PAID.—*When deceased domiciled in Scotland.*—In the case of a person dying domiciled in Scotland, having personal property in Scotland, England, and Ireland, and also heritable securities excluding executors, and personal bonds excluding executors, duty in respect of the whole may be paid on the inventory required to be recorded in the Sheriff Court; or inventory duty may be paid on the personal property situated in Scotland, including heritable securities made movable by the Act 31 and 32 Vict. c. 101, § 117, and duty may be paid on a "special inventory" of the heritable securities excluding executors and personal bonds excluding executors, and probate or administration may be obtained in England and Ireland in respect of the personal estate in these countries, and duty paid in respect of such on these instruments.

When deceased domiciled furth of the United Kingdom.—In case of a person dying domiciled furth of the United Kingdom leaving personal estate in

Scotland, England, and Ireland, an inventory must be given up in Scotland, probate or administration taken out in England and Ireland, and duty paid on such in respect of the property in each country.
